

# TOO LATE

# ALBDREAMGIRL

**Dm C Bb A**  
It's too late to change the world  
**Dm C Bb A**  
it's just possible to change a person.  
**Dm C Bb A**  
you'll be betrayed by your dreams  
**Dm C Bb A**  
by knowledge that destroys dreams  
**F G**  
These days you live just to make a living  
**F G**  
or ya make a living to to lead a life  
**F G**  
progress is a step towards the end  
**E A A7**  
Look for a God and do what he says  
**Dm C Bb A**  
He cant tell you at what point it will all be over  
**Dm C Bb A**  
but he'll be there for you after you're dead.  
**Dm C Bb A**  
I will come to my end when being proved  
**Dm C Bb A**  
that my God doesn't exist.

**Fade out**
